SharePoint Architect

Microsoft Gold Partners Quilogy, Magenic, and PSC

📅 2003 - 2014 📍 Suburban Chicago, IL

Quilogy (2001-2007), Magenic (2007-2013), PSC (2014) - IT Consulting

- Started as an IT consultant in 1995. Began my SharePoint adventure in 2003.
- Magenic: Was one of the two SharePoint technical leaders on a turn-around project to deliver a new intranet after the client, a Fortune 15 company, had a disastrous first attempt.
- PSC: Senior SharePoint Developer on a team that built a SharePoint-based public website. The site consolidated numerous acquired brands and over 30 line of business applications onto one platform.
- PSC: Led \$400K project to build an Azure-based data warehouse and reporting solution for a health insurance company.
- My complete work history is on LinkedIn at <http://bit.ly/MBB-LI>.

ACHIEVEMENTS

Office 365 Adoption Successes

At Tribune Media, I increased OneDrive adoption 24% in two months, saved over \$10K in employee time with Microsoft Teams, and implemented an Office 365 governance process from scratch. I selected and implemented a backup solution for our tenant and an email campaign solution. I created a digital signage solution for Office 365 tips and tricks. I partnered with our internal trainer to drive awareness and adoption via omni-channel technical marketing.

Microsoft MVP since April 2015

This award recognizes my technical community leadership and knowledge sharing. I co-lead the Office 365 Adoption User Group (Chicagoland Chapter) and speak on Office 365 locally and nationally.

Toastmasters Advanced Communicator Silver

First member in the Microsoft Midwest Toastmasters Club to achieve this award.

Awarded the Grow star at PSC

Recognized as a star achiever for helping coworkers perform at the next level. Helped two coworkers earn Microsoft MVP. Recognized as a Networking and Technical Evangelism star achiever too.
